All performers will remain backstage. Please drop off your dancers backstage at South Classroom 20 minutes prior to show start time, bringing a little bag of lipstick, water and necessary items. Please wait with child until designated instructor or backstage mom is available as they might be finishing up with previous show. Younger dancers need to be in full costume with proper dance shoes when being dropped off. Our younger dancers will have seats with a designated instructor where they can watch the show. We will welcome one backstage mom per younger class (if desired). Backstage mom will need to remain backstage with the class throughout the entire show. Please talk to your instructor this week and email studio to make those arrangements. All performers will return onstage again for the finale and can be picked up from the stage at end of show. We kindly ask that everyone make a quick exit through South theatre doors in order for staff to clean and prepare for the next show.

Doors will open for guests to enter the theatre 15 minutes before show start time. Please be seated by start of show as shows will begin right on time. All entering with reserved seats through the front theatre entrance and exiting after show through South theatre doors. Pre-sale tickets are highly encouraged as shows have sold out in the past. If not sold out, remaining tickets will be available for purchase at the door.
